We have come to the end of another year. Once again we can celebrate a lot of success here at GTS. I would like to thank all the friends and families of the school who have supported us so much this year. To have such a positive and engaged community certainly makes all the hard work worth it. I would also like to thank all the amazing staff of GTS. The commitment and dedication that each staff member puts into ensuring that we have a great school is something we should all be very proud of. Finally I want to thank all the amazing students of GTS. Each and every day I am extremely proud of the all the effort you put into achieving your goals. You all contribute so much to the school and we notice you grow and develop as you move up the school. To our Year 8's and other students who will be leaving at the end of the year I wish you all the very best as you start you new journey into High School or at your new school. You will always be welcome here at GTS and we would look forward to seeing you return to visit us all.

I wish everyone a very happy holiday season. Take some time to relax and spend quality time with your friends and families. We all look forward to working with you again in 2018.
